

Growth Prospects for Franchisees: BUS 521 a Masters Course

What are the growth prospects for entrepreneurs who are franchisees? Discuss whether or not the entrepreneur is limited in his or her ability to pursue all the different types of growth strategies. Is being a franchisee simply substituting one type of employment for another type of employment? How can a franchisee grow his or her business? The copyright does not include any of my personal opinions. All information obtained is a composite of other authors knowledge and research. I have over 2,000 references and all authors are given complete credit for their work and you should also give these authors the credit for their work. Take my word for it **YOUR INSTRUCTOR WILL KNOW!!!** All documents are to be used strictly as, reference material. I have already caught students trying to pass this reference material as their own when buying then returning the paper to Kindle and not putting in a bib.
