

# All the Rules Have Changed: What You Must Do to Succeed in the New Financial Reality

My goal is to help you understand the new financial reality we live in today and how it impacts you and your money. I want to share with you how you can embrace the true and proven way to get control of your finances and your life--one small step at a time, and once and for all. Successfully handling your finances is not complicated, and each of us can do it with the right commitment to get ahead. The economic landscape is different today, and the changes are here to stay. Whether you're single or married, sandwiched between caring for your children and your own parents, or on your own, you'll learn the right steps to take now. Throughout this book, I'll also provide sample worksheets and guides as well as essential documents and links to more in-depth, downloadable versions you can personalize for your needs.
