

## From Norvelt to Nowhere (Norvelt Series)

This rocket-paced follow-up to the Newbery Medalwinning novel *Dead End in Norvelt* opens deep in the shadow of the Cuban missile crisis. But instead of Russian warheads, other kinds of trouble are raining down on young Jack Gantos and his utopian town of Norvelt in western Pennsylvania. After an explosion, a new crime by an old murderer, and the sad passing of the towns founder, twelve-year-old Jack will soon find himself launched on a mission that takes him hundreds of miles away, escorting his slightly mental elderly mentor, Miss Volker, on her relentless pursuit of the oddest of outlaws. But as their trip turns south in more ways than one, its increasingly clear that the farther from home they travel, the more off-the-wall Jack and Miss Volkers adventure becomes, in *From Norvelt to Nowhere*, a raucous road novel about roots and revenge, a last chance at love, and the power of a remarkable friendship.
