

# A Sky Without Eagles

A Sky Without Eagles is the first printed collection of The Way of Men author Jack Donovan's essays and speeches. Beginning with his viral hit, *Violence is Golden*, *A Sky Without Eagles* assembles Donovan's best standalone commentary from 2010 through 2014. In his straightforward but disarmingly sincere style, Donovan channels the widespread disillusionment and frustration of men in the increasingly restrictive developed world. *A Sky Without Eagles* covers race realism, criticizes feminism's degenerative influence on masculinity, and in the title speech, laments the lack of virtue and nobility in American leadership. Donovan wrote three new essays for *A Sky Without Eagles*. The first, *Train For Honor*, deals with his search for meaning in strength training. *CROM!* sums up Donovan's agnostic take on what kind of religion men need today. This collection concludes with *The Brotherhood* -- Donovan's imagining of a better, manlier and more spiritually unified tribe of men.
