

The Invaders: Brotherband Chronicles, Book 2 (The Brotherband Chronicles)

From the author of the global phenomenon *Ranger's Apprentice*, Hal and the Herons have done the impossible. This group of outsiders has beaten out the strongest, most skilled young warriors in all of Skandia to win the Brotherband competition. But their celebration comes to an abrupt end when the Skandians' most sacred artifact, the Andomal, is stolen--and the Herons are to blame. To find redemption they must track down the thief Zvac and recover the Andomal. But that means traversing stormy seas, surviving a bitter winter, and battling a group of deadly pirates willing to protect their prize at all costs. Even Brotherband training and the help of Skandia's greatest warrior may not be enough to ensure that Hal and his friends return home with the Andomal--or their lives. Perfect for fans of J.R.R. Tolkien's *Lord of the Rings*, T.H. White's *The Sword in the Stone*, Christopher Paolini's *Eragon* series, and George R. R. Martin's *Game of Thrones/A Song of Ice and Fire* series.
