

# Badass: A Relentless Onslaught of the Toughest Warlords, Vikings, Samurai, Pirates, Gunfighters, and Military Commanders to Ever Live (Badass Series)

The badasses populating the pages of *Badass* are the most savagely awesome historical figures to ever strap on a pair of chain mail gauntlets and run screaming into battle. Author Ben Thompson, considered by many to be the Internet's foremost expert on badassitude, has gathered together a rogues gallery of butt-stomping rogues, from Julius Caesar and Genghis Khan to Blackbeard, George S. Patton, and Bruce Lee. Their bone-breaking exploits are illustrated by top artist from the fields of gaming, comics, and cards DC Comics illustrator Matt Haley and Thomas Denmark, illustrator for the collectible card game *Magic: The Gathering*. This is not your boring high school history; this is tough, manly, unrelentingly *Badass!*
