

The Life and Times of Philip Schuyler, Vol. 1 (Classic Reprint)

Excerpt from The Life and Times of Philip Schuyler, Vol. 1 Of all the prominent men in public life in America during the last half of the eighteenth century, not one so really distinguished for important services as General Schuyler has received so little attention from the essayist, the historian, or the biographer, as he. His name is familiar to all who possess even a superficial knowledge of his countrys annals, and yet, to all, the details of his career in civil and military life are unknown. His figure, as drawn by the historians pen, is seen in bold relief, in detached pictures illustrative of his countrys history from the dawn of the birth-day of the Republic until the firm establishment of government under the federal constitution; but the really more important phases of his useful life are hidden or but imperfectly apprehended. General Schuylers career was not brilliant but eminently useful. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
