

Climbing Family Trees: Whisper in the Leaves

This series, published by both Trina Boice and her twin sister, Tracey Long, explores how to do your genealogy, as well as stories that illustrate the unseen help from above in finding ancestors. By small, persistent steps one can climb the monumental family tree. Digging for your family roots implies a head looking downward into the dirt. We prefer the phrase Climbing your Family Tree, which creates the visual image of looking upward through your ascent and that's exactly where the help comes from. Enjoy these stories we have twice!

Climbing Family Trees has 17 ratings and 3 reviews. Anna said: Im not involved in genealogy at the moment (too busy with my descendants to have time for
