In the quest for true love, a bit of magic may be just the nudge Penelope and John need. Lady Penelope Hale has had a run of bad luck when it comes to romance. Discouraged and ready to give up on love altogether, Penelope follows the urging of her cousins and endeavors to give the man of her dreams the devastating Duke of Havenwarda gypsy love potion. All goes awry, however, when the unthinkable happens and the wrong man, Lord John Breckenridge, drinks the potion by mistake. Horrified when the unpleasant Lord John begins courting her, Penelope and her cousins strive to find a reversal for the love potion. Despite their best efforts, John remains persistent in his pursuit, and Penelope finds herself surprisingly drawn to the brooding man. Before love can blossom, however, a crushing secret comes to light, driving a wedge through the newly formed bonds. With Valentines Day just around the corner, can John rectify the grave wrong which pushed Penelope away before she gives up on love forever?
