

Snow Kissed

Sadie's holiday season is officially off to the worst start ever. After losing her job a week before Christmas and starting a fight in a toy store, she decides to throw in the tinsel and heads to the English Cotswolds early for a quiet Christmas with her family.

She wasn't counting on the complications caused by her sister's Christmas wedding. Or the groom's brother and best man, Jamie. The wealthy, charming Jamie is everything Sadie tries to avoid. But the best man has a secret that will change everybody's Christmas. In the snow-kissed Cotswolds, will Sadie have a happy holiday after all? *Snow Kissed* is a short and sweet Christmas romance novella from Amazon bestselling author Lisa Swallow.
