Cold, distant Alexander Bravo-Callabretti was the last man Liliana of Alagonia had ever imagined marrying! After all, even a princess longs for happily-ever-after. But when a one-night fling with her nemesis led to a royal baby-on-the-way, only a wedding would satisfy their disapproving families. So with a fast, secret ceremony, they were joined for life. Alex had agreed to make an effort for the sake of the baby, even though letting the lovely Lili close was a threat to the barriers he had long struggled to maintain. But the future of the throne and his royal honor was at stake. And when he and Lili posed as happy newlyweds for the paparazzi, he found himself wishing that their marriage could be for real after all.
