

# Brighams Boys

In the vernacular of the day, President Brigham Young often referred to the men he worked closest with as his boys. With this affectionate term of trust and friendship he encouraged, rather than ordered, others to follow him, building relationships wholly dedicated to the kingdom of God. In Brigham s Boys, author Marlene Bateman Sullivan has compiled hours of fascinating research about 16 men who worked closely with Brigham Young, including: Jacob Hamblin, Hosea Stout, Porter Rockwell, Thomas Rhoades, and many more! As you learn about these men, you will come to appreciate their love, service, and endless sacrifice in behalf of the Church.

Brighams Boys tells the individual stories of sixteen men who worked closely with Brigham Young to bring the pioneers across the plains and colonize the Great Basin, focusing on the relationship they had with him.
