Bruchko: The Astonishing True Story of a 19-Year-Old American, His Capture by the Motilone Indians and His Adventures in Christianizing

What happens when a nineteen-year-old boy leaves home and heads into the jungles to evangelize a murderous tribe of South American Indians? For Bruce Olson, it meant capture, disease, terror, loneliness, and torture. But what he discovered by trial and error has revolutionized then world of missions. Bruchko, which has sold more than 300,000 copies worldwide, has been called more fantastic and harrowing than anything Hollywood could concoct. Living with the Motilone Indians since 1961, Olson has won the friendship of four presidents of Colombia and has made appearances before the United Nations because of his efforts. Bruchko includes the story of his 1988 kidnapping by communist guerrillas and the nine months of captivity that followed. This revised version of Olsons story will amaze you and remind you that simple faith in Christ can make anything possible. [Bruchko is] an all-time missionary classic. Bruce Olson is a modern missionary hero who has modeled for us in our time the reaching of the unreached tribes. --Loren Cunningham Co-founder, Youth With A Mission
