In her book, *Sensual Seductions Rated R*, Author Crystal McDaniel-Freeman stirs the red hot ambers of romance through explicit poetry that is sure to rekindle dying flames. Quite candidly, Crystal presents vivid scenarios that will no doubt speak volumes to couples nationwide and leave them dripping wet with desire. From newlyweds to the more seasoned couples, she will inspire all to reach for another level of intimacy as she creatively takes readers on a journey of steamy eroticism. As a Christian, she unashamedly presents sex as a gift that God has given to be enjoyed in the confines of marriage. With no holds barred, Crystal McDaniel-Freeman rips to shred the religious lies that sex is a dirty, overrated act, but exposes the truth it is a sacred form of worship.
