

## Bad Traveler

Recipes are a way of life for Gwen Jones. Take one single mother, her infant daughter and a business plan for a small town bakery. Combine with an eventful cross-country flight, chance encounter with her college crush and a dash of motion sickness. Stir in a few nuts, or family members, and large quantities of chocolate. Will this recipe be an oven oops, or as delicious as her alma maters newest coach? Having survived an attack in Afghanistan that cost him a leg and a wife, Kyle Collins developed a strategy to find meaning in life. He may be an assistant basketball coach but he refuses to sit on the sidelines. When he runs into the woman whose lips are as unforgettable as her brownies, Kyle decides to spice up Gwens recipes. When a secret ingredient is thrown into the mix, can their recipe for a happily-ever-after rise to the occasion, or will it end up a hot mess?
