

Courageous (Hqn)

The life of a paid mercenary makes sense to Special Forces Officer Winslow Grange. The jungles of South America may make his former job as a ranch manager for his friend Jay Pendleton look like a cakewalk, but its nothing that the former Green Beret cant handle. A womans heart, however thats dangerous territory. Back in Texas, Granges biggest problem was avoiding Peg Larson and all the complications being attracted to the daughter of his foreman would entail. Now Grange will need all his training to help General Emilio Machado gain control of the tiny South American nation of Barrera; when Peg arrives unannounced, shes a distraction he cant avoid. Shes determined to show Grange she can be useful on and off the battlefield. Once she breaks through his armor, traversing the wilds of the Amazon will prove an easier task than defending himself against her winning charms.
