

Raquela: A Woman of Israel

A National Jewish Book Award-winning biography: A fascinating look at the early years of Israel's statehood experienced through the life of a pioneering nurse. During her extraordinary career, nurse Raquela Prywes was a witness to history. She delivered babies in a Holocaust refugee camp and on the Israeli frontier. She crossed minefields to aid injured soldiers in the 1948 Arab-Israeli War and organized hospitals to save the lives of those fighting the 1967 Six-Day War. Along the way, her own life was a series of triumphs and tragedies mirroring those of the newly formed Jewish state. Raquela is a moving tribute to a remarkable woman, and an unforgettable chronicle of the birth of Israel through the eyes of those who lived it.

The first time I read the book, *Raquela: A Woman of Israel*, by Ruth Gruber, I was startled out of my stupor of motherhood, lack of sleep, and what I had gotten.
