

Divine Filth: Lost Writings by Georges Bataille (Creation Modern Classics)

Divine Filth is a collection of long-overlooked erotic prose and scatological fragments rivaled only by Georges Bataille's most well-known work, *Story of the Eye*, for pure pornographic content that transcends the limits of literature and the self. These are the shattered mystic visions of a seminal Surrealist with a deep thirst for the negation of consciousness through ecstasy, humiliation, depravity and pain.
