Is your sexual vocabulary flaccid? Does your libidinous lexicon need a lift? Each card presents one or more deliciously obscure words about sexual desire and behavior, along with an illustrative sentence. (For example, Betty loved amomaxia, but it sometimes led to amychesis; Clarence had the scars to prove it.) On the back of each card you'll find easy-to-read pronunciations and amusingly written definitions. Use these wickedly entertaining cards to flirt with your poplolly (significant other) or tantalize your friends. Devise a salacious parlor game with them or fondle them in the privacy of your bedroom. Size: 3 1/4 x 4 inches.
