

Stirring Up Trouble (Pine Mountain Book 3)

Kimberly Kincaid knows how to whip up a delicious love story. --Susan Donovan
Looking for inspiration Sloane Russos turned a decade of crazy jobs and whimsical travel into a career writing steamy novels set in exotic places. Trouble is, Sloane's flat broke now--and she can't channel sun-drenched beaches in the Blue Ridge Mountains. The only fast cash in town comes with some seriously distracting temptation: Gavin Carmichael, hot, handsome and oh-so-hard-headed. Gavin isn't the impulsive Don Juan of Sloane's novels. He's raising his thirteen-year-old half-sister, and he's pretty sure he's supposed to act like he's never heard of fun. Sloane is way too sexy and irresponsible to be his idea of a good tutor for Bree, but the unpredictable anti-nanny may be irresistible as well. . . . Praise for Kimberly Kincaid
A sweet and sexy treat!
