

HOW TO BUY GOLF EQUIPMENT: A Players & a Gift Givers Guide to Buying Clubs, Drivers, Fairway Woods, Hybrids, Putters, Wedges, Balls, Irons and More! (Golf Demystified Book 200)

If you are a good player, have you ever wondered what the best way to buy golf clubs is? Have you wondered how the professionals are fit and how many good amateurs have perfect clubs? If you are a beginner, have you wondered how you should buy clubs? Have you wondered if you should buy clubs in a certain order? And if you know nothing about golf, but want to buy golf presents for family members or friends, have you wondered where to start? If you answered yes to any of these questions, this book is for you. How to Buy Golf Equipment is exactly that -- a guide on how to buy golf equipment from the beginner to the advanced player to the person who is just buying gifts for others. This book will look at all the items that constitute golf equipment and give you the knowledge to know that your time and money are well spent. Much of this book covers fitting and golf, but much of this book is also a guide on how to fit yourself so that you can create a great golf bag economically! This book is approximately 140 pages long and 37,000 words of golf equipment buying advice from an unbiased third party. (This book is written by a formerly competitive player who has tried a very large array of products from many different manufacturers.) Regular Price is \$6.99. Get yours on special for \$2.99 now!
