

I Will Follow You (Forever and Ever #17)

Three months have come and gone since Conrad and Beatrice broke up, but what will happen when Beatrice shows up on his doorstep, full of remorse and regret. Will Conrad forgive her like he always has? Or will this be the end of the road? Roland and Heath are getting to know each other in a new way, and just when things are going great, Conrad stops by the apartment and asks Roland to go out. Will Roland continue to hide Heath? Or has this lie gone on long enough? Trinity refuses to speak to her father, and despite Slades attempts to put them back together, she remains angry with Mike. Claiming she never wants to see him ever again, she avoids him and plans a cheap wedding with Slade. But will she change her mind? Silke stays away from Arsen because his reappearance in her life only causes her pain. She never had the chance to tell him how much he hurt her, and now all she can think about was the heartache he caused. Will Arsen be able to regain any trust? Even her friendship?
