When her son Solomon graduated from high school, Terry McMillan was asked to be the guest speaker at the commencement ceremony. Determined not to be dull or redundant, Terry thought back to when she was stepping out into the world for the first time and the things she wished people had told her. Printing up what she thought were the most important tips for these new graduates, Terry was surprised to find that not only were these homemade pamphlets a hit with the students, but their parents clamored for copies too. Now with *Its Ok If Youre Clueless*, Terry McMillan brings her trademark wit and sass to every son and daughter about to take their first tentative steps into adulthood.
