

## Pomeranians 2017 Square (Multilingual Edition)

Pomeranians Wall Calendar: Though they weigh a mere three to seven pounds, Pomeranians are fearless watchdogs. Perky, curious, and brave, they are loving companions, and they certainly do not shun a little pampering. Poms are bred in a manner that creates two distinctive facial looks?: fox faced and baby faced. This square wall calendar shows both faces of these adorable dogs. Includes a free download of the DogDays™; app for the smartphone and tablet, which grants access to the world's most captivating dog photos and backgrounds, fun puzzles, and a calendar featuring your favorite furry friends.
