

Kings Million-Dollar Secret (Kings of California Book 8)

As penance for losing a bet, Rafe King had promised to work one job as an everyday carpenter. And that was when he hit the jackpot introduction to Katie Charles. With every word, every touch, the sweet, sexy lady made Rafe feel like more than the cold-hearted tycoon he was reputed to be. There was only one problem: Katie despised all wealthy men, especially those in the King family. He couldn't reveal his feelings without coming clean about his last name. But if he kept this secret, it might cost him everything.
