There are a great many people now seeking to learn Cornish, and all are looking for ways to use it in their daily lives. One is through the age-old practice of daily prayer. This book has been compiled with two aims?to help you to learn Cornish, and to bring you closer to God in the process. Morning and Evening Prayer in this book follow a traditional format, and ancient prayers from the Celtic Church have been included whenever possible. A fixed psalm for Morning and Evening Prayer is used each day to make things simple, because thats how prayer should be. Collects have been included for use during the Church year, as well as a list of Celtic saints days.
