

## Bone, Vol. 4: The Dragonslayer

The forces of evil are growing stronger - but could our heroes worst enemy be Phoney Bone himself? Fone Bone confronts a host of dangers in Book 4 of the BONE saga, The Dragonslayer. He and Granma Ben and Thorn have a terrifying encounter with Kingdok, ruler of the rat creatures. The Hooded One is inciting his army to full-scale war. Someone is continuing to haunt Thorn in her dreams. And then wise Granma Ben disappears. To make matters worse, Phoney Bone has hoodwinked the townspeople into believing that he is a mighty dragonslayer. When he actually does catch the Red Dragon -- much to his surprise -- he must face up to his promise: to slay the dragon at sunrise.

When he is fooled by the townsfolk into thinking that he is a skilled dragonslayer, Phoney Bone takes on the challenge to find the Red Dragon while Thorn deals with a host of dangers. Bone is an independently published comic book series, originally serialized in 55 irregularly-released issues.
