

Mango Kisses

A sweet, summery, beach-side romance from the author of *E for England* and *The Ripple Effect*. Sent to assess a deceased estate in a small coastal town, ambitious city girl Tiffany Holland is initially annoyed by the out-of-the-way assignment. But she soon discovers sleepy Birrigai hides a wealth of surprises: a cross-dressing motel manager, a Kissing College and her client Miles Frobisher, the laid back, surf-shop owning, real life sex fantasy. Tiffany's ambition is to become a junior partner in her financial firm, but small town life and the proximity of Miles gradually seduce her. But a shocking discovery in the estate papers leads to a dramatic change in Miles' circumstances. Emotionally inept, Tiffany is unable to help Miles through the transition, and drives him away. With misunderstandings and secrets creating frost between them, it seems that their summer romance is destined to go cold. Can they overcome their differences and learn to accept their feelings?
