

Moab Is My Washpot

The original bestselling autobiography by the comedian, novelist and national treasure, Stephen Fry. *Moab is My Washpot* is in turns funny, shocking, tender, delicious, sad, lyrical, bruisingly frank and addictively readable. Stephen Fry's bestselling memoir tells how, sent to a boarding school 200 miles from home at the age of seven, he survived beatings, misery, love, ecstasy, carnal violation, expulsion, imprisonment, criminal conviction, probation and catastrophe to emerge, at eighteen, ready to try and face the world in which he had always felt a stranger. Fry writes with the wit to which we have become accustomed, but with shocking candour too. In an age of glossy celebrity autobiographies, *Moab is My Washpot* sets the high standard to which others should aspire.

I laughed and cried, alternately gasping in admiration and clutching my head in dismay, as I read the 430 pages of this book, and am looking But Moab was, well if you knew the quotation, it would make sense - Moab is my washpot and over Edom will I cast my shoe.
