

Mommy and Me Start Cooking

Cook and learn together with Mommy and Me Start Cooking. Full of fun activities such as experiencing food with all five senses, designing dishes, and performing kitchen experiments, plus an introduction to measurements associated with cooking, this is the perfect cookbook for children who want to join their parents in the kitchen. Readers will learn about staple ingredients such as eggs, flour, and chocolate. They will find out what is inside an egg, where vegetables grow, how flour is made, and more. Mommy and Me Start Cooking will educate and entertain, and is a fun way for families to spend time together.
