Katlin Callahan keeps secrets. Not just the ones involving the most dangerous men on earth she hunts as the Ladies of Black Swan team leader, but those she keeps from Alex Wolf. She loved him for years as a friend and short-time lover, before life happened. Reunited after three years of silence, and celibacy for Katlin, her teammates convince her to use Alex to get back into dating. But can she use the man who makes her body zing, without losing her heart? Alex Wolf didn't think anything could surprise him after serving as a Marine Corps SpecOps Company Commander, but finding his former lover, Katlin Callahan, in his corporate apartment, naked, pointing a gun at him, was a shock. In more ways than one. Seeing her again, brought back memories of their college days, when they were lovers, and she was his. Now both single, again, he's determined to win her back.
