

## One Summer at Deers Leap

A present-day love story which springs from a tragic wartime romance. It is the 1990s. Cassie Johns is a young, lovely writer on the threshold of success after a less-than-silver-spooned girlhood. Driving through the glorious countryside to a fancy-dress party in the Vale of Boland, she gives a lift to a mysteriously attractive young man wearing the uniform of an RAF pilot: ready for the party Cassie assumes. But in the evening there is no sign of the airman. Cassie, hitherto rational, sceptical, a woman of her times becomes obsessed by Jack Hunter, a pilot whose plane crashed in 1944, but whose long-ago love for a girl at Deers Leap makes him unable to rest in peace. Cassie's love for the dead hero takes her into an unknown war-torn past, where old passion burns and becomes entwined with new.
