

The Pre-Med Survival Guide: A Complete Guide to College for the Future Physician

The difficulties of medical school are well known, but little has been written on what comes before medical school: the four years of college as a pre-med. In this essential guide, medical school acceptee and graduating pre-med Tyler Scaff explores all facets of life as a college student, and especially as one who plans on applying to medical school. Relationships, academics, applications, and the dreaded MCAT are all discussed in thorough and entertaining ways in The Pre-Med Survival Guide.
