

Straight Money Talk: A Straightforward Plan for Financial Independence (Volume 1)

Your life could change drastically if you follow the straightforward plan for financial independence presented in this book. Robert tells you exactly how to do it and dispels the myths and jargon in the finance industry so that you can make sense of it. He pulls no punches and puts you in the driver seat. When you read this book you will learn how to: create a road map that you can follow to build a better financial future use simple strategies that allow you to start dreaming again and stop worrying about the economy build a solid financial plan and start taking control of your money make sure that you stay motivated to stick to your plan develop a family tradition of good money management that can bear fruit for generations to come. Robert Bauman has been a Financial Planner for 14 years and an Accountant and Business Advisor for over 20 years. He earned his Bachelor of Accounting degree at the University of Tennessee and then his Masters in Finance degree at Georgia State University. Robert is a world-class specialist at helping people get on the right financial path and stay on it. Hes a realist who teaches real-world strategies, not pie-in-the-sky pipe dreams. Ive read many financial books and found this one to be up there with the best. It can really kick-start your journey to get your financial situation into great shape. - Dr. Joe Vitale, author of Attract Money Now, www.attractmoneynow.com This book is for anyone whose goal is to take charge of their financial lives! As a former financial planner, I agree with the principles being taught in this book. Robert Bauman makes it simple for anyone to understand these principles, and apply it effectively to their financial lives. Read, apply, and grow!

Ron Prasad, Speaker, Author of WELCOME TO YOUR LIFE Simple Insights for Your Inspiration & Empowerment, and former Financial Planner Straight money talk is exactly

what it is. Robert pulls no punches in his can-do approach to financial freedom. Its as simple as 1,2,3,4,5 His book is a must have for every home, business and school. Eileen Pritchard, Former Board Member - Group Training Australia and Business Owner Robert has done a fantastic job on this book. My views on how to handle money and how to educate my kids to learn the value of savings have totally changed now. This is an excellent book to guide you to creating great financial wealth in your life! Keith Abraham CSP - Professional Speaker and Best Selling Author
