

Regulating Public Utility Performance: The Law of Market Structure, Pricing and Jurisdiction

Organizing a century of legal principles to help the U.S. public utility industry resolve tensions created by the current legal boundaries of legal regulation and fashion new policies for the future. Its mix of case narratives and doctrine, drawn from all legal sources, is geared to lawyers and non-lawyers, veterans and novices, practitioners and decision-makers, academics and the media--anyone seeking to use the law to serve the public interest. Topics covered include market structure, pricing, and jurisdictional issues. *Regulating Public Utility Performance* is used or has been used as a text at the following law schools:
University of Arkansas Law School
Georgetown University Law Center
Washington University University of
Tulsa Vermont Law School
University of Hawaii
