

Learn to Drive 2003-2003

This handbook contains all the information needed to pass the driving test, covering both theory and practical examinations in one volume. Produced in a clear, modern style, with full-colour photographs and diagrams, this format is designed to appeal to young readers. The book takes readers through all areas of learning to drive - from choosing a driving instructor to taking the test. The two main sections include information on all elements of the practical test and list all the official theory questions.
