

# Self Hypnosis for Better Golf

This program consists of two audio cassettes that will almost magically replace self-doubt with confidence and confusion with clarity. These tapes will teach you how to relax and allow your subconscious mind to control your game - as is your natural design.

- 11 min - Uploaded by Trigram Healing This rapid mind training focuses on calm centered golf playing, and using hypnosis to train - 40 min - Uploaded by Free Hypnosis Sessions <http://golf-confidence-hypnosis-session.html> Golf Your mind controls your actions and can be your best asset or your worst liability.
