

Sophia - The Feminine Face of God: Nine Heart Paths to Healing and Abundance

After centuries of hiding, the Divine Feminine (a.k.a. Great Mother, Holy Spirit, Sophia) is showing herself again. She's aware of what we've been doing to our planet and to ourselves and offers her age-old but ever-new wisdom for spiritual growth and healing. Within the context of spiritual memoir-essays, Sophia ?The Feminine Face of God brings together the many faces of Sophia ? historical, folklored, fairytale ? as well as stories of her mystical presence throughout different times and cultures. This is a book about how Sophia enlightens, strengthens, and illuminates... how she calms and excites, befriends, and nurtures.
