

## The Enchantress (The Secrets of the Immortal Nicholas Flamel)

Nicholas Flamel appeared in J.K. Rowling's Harry Potter but did you know he really lived? And he might still be alive today! Discover the truth in Michael Scott's New York Times bestselling series *The Secrets of the Immortal Nicholas Flamel* with *The Enchantress*, book six. The two that are one must become the one that is all. One to save the world, one to destroy it. Sophie and Josh Newman traveled ten thousand years into the past to Danu Talis when they followed Dr. John Dee and Virginia Dare. And it's on this legendary island that the battle for the world begins and ends. Scathach, Prometheus, Palamedes, Shakespeare, Saint-Germain, and Joan of Arc are also on the island. And no one is sure what or who the twins will be fighting for. Today the battle for Danu Talis will be won or lost. But will the twins of legend stand together? Or will they stand apart, one to save the world and one to destroy it. The pacing never lets up, and the individual set pieces are fine mixtures of sudden action, heroic badinage, and cliffhanger cutoffs. -Kirkus Reviews
