

## Unexpected (I Love My Marine: Enlisted Edition Book 2)

One night of misbehaving proves to be more than Corporal Darwin Reddy can handle. She has one major rule that keeps her single: no military guys. That rule only works if she knows the guy happens to be in the military. Andrew Zimmerman has returned from another stint with the infantry as a corpsman. While home for his brother's wedding he meets a gorgeous woman and can't refuse or resist her. The encounter is intense, but fleeting. When they meet again it is at the Naval Hospital where they discover they broke more than Darwin's rule that night. Can one night of passion and the little bundle of consequence on the way be enough to prove that fate works in mysterious ways?
