

The Girl from Felony Bay (Felony Bay Mysteries)

The Girl from Felony Bay is a fresh, vibrant, funny, and heartwarming debut in the vein of Sheila Turnages Three Times Lucky and Clare Vanderpools Moon over Manifest. Set on a southern plantation, its about a young girl named Abbey, her best friend, Bee, and a hundred-year-old mystery. The last year has been a rough one for Abbey Force. Her father has been in a coma since his accident, in which he was framed for a terrible crime he didnt commit. And their home, Reward Plantation, had to be sold to pay off his debt to society. So Abbey is stuck living with her Uncle Charlie, who isnt exactly an ideal role model. But things just got more interesting. The new family who moved in to Reward Plantation has a daughter named Bee, and shes just as curious as Abbey is about the No Trespassing signs and holes being dug out of Felony Bay. It seems like someone has been poking around a mystery that dates all the way back to the Civil War and it just might be the same someone who framed Abbeys father.

Abbey and her best friend, Bee, set out to solve another mystery with its roots deep in Southern history in this follow-up to J. E. Thompsons The Girl from Felony Bay.
