

The Housewife Assassins Killer App (Housewife Assassin Series, Book 8)

In order to flush out an internationally renowned hacker who is wreaking havoc with top secret documents inside the United States Intelligence Community's secured database, housewife assassin Donna Stone infiltrates three very successful high tech corporations: A company providing smart phones and other wireless devices with an operating system that contains artificial intelligence designed to meet your every need even if it kills you; A tech conglomerate CEO who plans to broker the country's intelligence secrets to the highest bidder, be it a terrorist or enemy state; And an interactive game start-up with an avatar on the deadliest mission of all: kill Donna. Can she save the world from terror and at the same time protect her children from the painful knowledge of the father who deserted them?
