buying your books and telling everyone they know about you. You'll learn how to become not only a bestselling author but a household name in your market, niche or genre by becoming the go-to author in your field with incredible online viral exposure and word of mouth marketing (and you don't need a big marketing budget to do it). How To Improve Every Day and Create Long-Term Success Can I be honest with you for a moment? Most authors never achieve the success they want in life because they let little things cheat them out of big opportunities. That's why you'll see authors today who complain about agents and publishers not responding to their queries while others are writing and publishing eBooks and making a small fortune! When you buy this book, you're going to learn how to create your Daily Method of Operation (DMO) that will guarantee you get the most out of every single day so that you can write better books faster, get published quicker and start selling a lot more eBooks quickly. After reading Secrets of the Six-Figure Author you'll never have an excuse again as to why you can't be the next great bestselling author in your field! If you loved reading books like Secrets of the Millionaire Mind, Rich Dad Poor Dad, and Seven Habits of Highly Effective People, you'll love this book. About The Author My poetry was first published at age 16 in Teen Ink magazine and I started writing books at age 19 but had no idea how to get my message out to anyone other than my friends and family. Finally, I discovered Amazon's Kindle Publishing platform and published my first book on Kindle on February 10, 2012. Since then, I've sold over 100,000 eBooks on Kindle and now earn a full-time income as an author. If I can do it you can too! Learn how to become a Six-Figure Author today.
