

Gandhi and Americas Educational Future: An Inquiry at Southern Illinois University

A project of the Gandhi Centennial Committee of Southern Illinois University, the book outlines the basic tenets of Gandhian philosophy as interpreted by Western thinkers, deals with problems of American education, and offers some reflections on what kinds of solutions may be posed by educators, primarily at the university level. The Foreword and Epilogue are by two distinguished Indian educators, K. L. Shrimali, Vice-chancellor, and N. A. Nikam, former Vice-chancellor, University of Mysore.
