

# Crowd Funding

Admit it - you're tired of working hard and not seeing anything for your efforts. No matter what you do, you feel like you're never going to get anywhere and you're never going to succeed. Maybe it's not that you're doing things wrong, but that you need help. Maybe you need to do something besides just working for yourself. Maybe you need to get with the crowd. Crowd funding is becoming a popular way for people to create big profits for not so much money. And while you may not have heard of these groups just yet, you will. And you might just want to take part when you're done reading this extensive and detailed book.
