

What Wives Wish their Husbands Knew about Sex: A Guide for Christian Men

FRONT COVER A straightforward, no holds barred, entertaining manual for Christian men.--Neil Clark Warren, founder and chairman, eHarmony.com

BACK COVER A candid guide to mens sexuality

In the beginning God created man and woman--and sex. But men and women dont always see sex in the same way. This straight-talking guide helps men understand the difference--and helps women appreciate it too. Here are the facts of sexuality as you never heard them growing up--explicit, yet honest and accurate--minus the winks, nudges, and snickers. In great depth and with much candor, the authors explore the biblical, psychological, emotional, and physical aspects of making love. Gain new insights into your own sexual makeup and the desires of your wife Discover the most important thing to a woman Learn how to become a better lover See why knowing Christ can free a man to experience amazing love and incredible sex with his wife Whether youre married or planning to be someday, this is a must-read. The authors have reclaimed sex as Gods good gift, meant to be lavishly and extravagantly enjoyed by men and women who want the fullness of intimacy that God intended.--Linda M. Wagener, associate dean of the school of psychology, Fuller Seminary

This book breaks the fears and destructive guilt of Christianity into its true design to follow the real principles of sexual love as it was meant to be--Frank Lawlis, author, The ADD Answer and The IQ Answer

Combining candor with humor, frankness with sensitivity, and professional knowledge with personal experience, this book offers a delightful overview of what husbands need to know about sex.--Jack Balswick, coauthor of Authentic Human Sexuality and A Model for Marriage

Ryan Howes, Richard Rupp, and Stephen W. Simpson are psychotherapists who specialize in marriage and mens issues.
