

# Wild Food Plants of Hawaii

Not since 1967, when Beachcombers Handbook by Euell Gibbons was published, has there been a wild food book for Hawaii. In these long anticipated pages, Sunny Savage, host of the wild food cooking show Hot on the Trail and a 2014 TedxMaui presenter, takes us on an adventure into the wilds of Hawaii and her wild-inspired kitchen. A springboard for anyone curious about wild foods, it is brimming with inspiration that makes you want to jump into eating one wild food every day.

eat one wild food every day Day 4 of our Eat Local Challenge here in Hawaii. . Wild Food Plants of Hawaii: available for online sales. We feasted on some wild foods, including these gargantuan False Kamani (*Terminalia catappa*). In my book Wild Food Plants of Hawaii, I call
