

Fearful Goddesses: Playground of the Gods (Part 2) (Legacy of the Gods Book 3)

Inanna is better known to us as Aphrodite. Far from being a passive female she fought with Gods to develop her own power base on Earth. Besieged by jealousy and torment for the death of her husband she became the greatest female of all time. Legacy of the Gods comprises 60 volumes which lead the reader from our earliest beginnings to the present day. The truth is told, it may shock and surprise or hurt some readers. Indeed the truth MUST be told for in the near future our Governments have something sinister prepared for us. Only 500 million will be spared. The Apocalypse is nigh. Will you be alive to see it?
