

Hoovers Handbook of American Business 2001: Two Volume Set

Hoovers Handbook of American Business has become the standard for accessible and interesting information about companies. This comprehensive two-volume set contains in-depth profiles of 750 of Americas largest and most influential companies. You will find major corporate giants like Coca-Cola, General Motors, Microsoft and Wal-Mart, plus a selection of more than 50 of the largest privately owned companies, including Cargill and Mars. Unlike any other business resource on the market, Hoovers examines the personalities, events and strategies that have made these enterprises leaders in their fields. This valuable reference includes 60 pages of business lists, such as the FORTUNE 500 list of the largest U.S. corporations, Software Magazines Top 50 Software Companies, and the companies on the Standard & Poors 500. It also includes indexes by headquarters location and industry, and by the people, companies and brand names mentioned in the profiles. Eleventh edition, December 2000.

Gary Hoover (born March 19, 1951) is an American businessperson who founded Bookstop, Contents. [hide]. 1 Early life 2 Business career. 2.1 Bookstop 2.2 Hoovers After graduating from college, Hoover spent two years as a security analyst at In 2001, Hoovers book Hoovers Vision: Original Thinking for Business While both Hoover and Bush have reputations for supporting limited Essentially, Rothbard uses the Austrian theory of the business cycle to .
